

INTERNATIONAL BIBLE LESSONS
August 6-9, 2015 Radio Worksheet #31

CHILDREN AND MISSIONS

Answer the following questions from your own experience.

1. Why is it important to teach children about missions?
2. How can we get children interested in missions?
3. Do you remember any missions involvement when you were a child? _____ What effect did it have on you?
4. What are some things that most children are interested in learning?
5. What do children like to do?
6. What are some different jobs that missionaries do?
7. How can we decorate our children's rooms to encourage missions thinking?
8. What are some things you must plan for before a Children's Missionary Conference?
9. What kinds of missions projects could your children be involved in?
10. What can you do to encourage your church to get children involved in missions?
