THE ROOM AND EQUIPMENT

Think about your church building. Answer these questions in relation to your church and your room.

1. What kind of facilities does your church have for different age groups?
2. Are your rooms clean and well maintained? What could make them more attractive?
3. Take a walk through your church, looking at rooms you have never seen before. What did you discover?
4. Are most of your rooms large or small? Do they meet your program needs? Why?
5. Are your teaching rooms bright and cheerful? What could you do to make them better?
6. If your building is too small, what can you do?

Fill in the blanks with the words from the list below.
