Radio Worksheet #39

A LEADER IN CHRISTIAN EDUCATION

Answer the following questions from your own experience. Listen to today's program again on our website at www.bible4children.org

1. What problems do you see in your church or ministry in the area of Christian Education leadership?
2. Why is it necessary that a leader can also be a follower?
3. What do you think are some of the most important qualities of a leader in Christian Education?
4. Do you have a CE Board/Committee in your church? What are their functions?
5. What could be some problems in NOT having a Christian Education leader?
6. Does your church have security and child protection policies in place? Why is this a good idea?
7. How have you seen Christian Education change in your local church through the years?
8. What memories do you have of a Christian Education program in your childhood and teen years?
